Point of Use Treatment Device Tariff

Applicable To:

- Global Water – Belmont Water Company, Inc. ("GW-Belmont");
- Global Water – Santa Cruz Water Company, Inc. ("GW-Santa Cruz");
- Global Water—Red Rock Water Company Inc. ("GW-Red Rock");
- Global Water—Francesca Water Company, Inc. ("GW-Francesca");
- Global Water—Lyn Lee Water Company, Inc. ("GW-Lyn Lee");
- Global Water—Mirabell Water Company, Inc. ("GW-Mirabell");
- Global Water—Tortolita Water Company, Inc. ("GW-Tortolita");
- Global Water – Las Quintas Serenas Water Company, Inc., ("GW-Las Quintas");
- Global Water – Rincon Water Company, Inc. ("GW-Rincon");
- Global Water – Farmers Water Company, Inc. ("GW-Farmers"); and
- Any other GWRI affiliated utility that files a tariff sheet joining in this tariff.
- Each of these utilities is referred to as "Company" and will be collectively referred to as the "Global Water Utilities".

PURPOSE:

The purpose of this tariff is to enable the Utility to ensure its compliance with the requirements of the Arizona Department of Environmental Quality ("ADEQ") for Point-of-Use ("POU") treatment. POU treatment is to be installed on the customer's premises, maintained, and tested pursuant to the provision of the Arizona Administrative Code ("AAC") R18-4-218 and ADEQ's Arizona Point-of-Use Compliance Program Guidance ("Guidance"). A POU treatment device will treat only the water intended for direct consumption, typically installed at a single tap such as the kitchen sink.

APPLICABILITY:

This POU Treatment Device Tariff applies to customers in the systems listed above, where ADEQ or their Delegated Agency has approved POU treatment to comply with Safe Drinking Water Act requirements.

REQUIREMENTS:

The Rules of the Arizona Corporation Commission ("Commission") and the ADEQ, specifically AAC R14-2-407, R14-2-410, R18-4-218 POU Guidance, and the terms of this tariff

govern the installation and use of POU treatment devices:

1. Upon written notice from the Company, a customer must permit the Company to install one or more POU treatment devices and related equipment and facilities (collectively the "POU treatment devices"), as ADEQ and the Company deems necessary, on the Customer's property or leasehold. The Company will give customer forty-five (45) days from the date it sends notice to the customer to permit the Company to install the POU treatment devices. If A.A.C. R14-2-410.B.1 is not applicable and the customer can show good cause why the customer cannot permit the Company to install the POU treatment devices within forty-five (45) days, the Company may allow the customer an additional forty-five (45) days to have the POU treatment devices installed.
2. The Company will purchase, install, and maintain the POU devices pursuant to R18-4-218.B4.
3. Subject to the provisions of AAC R18-4-218 and the POU Guidance, the installation and maintenance of the POU treatment device and the customer's compliance with this tariff are conditions of service.
4. The Company will arrange to install the POU treatment device at a time convenient to the customer and the Company.
5. All POU treatment devices will be solely the Company's property. The customer may not perform any work on, maintain, alter, or interfere with the POU treatment devices in any way, except that the customer may turn off the flow of water to the POU treatment device to prevent damage to the customer's property.
6. Within 30 days of receiving notice, the customer must permit the Company or its agents to enter the customer's property or leasehold to maintain any POU treatment devices in good working order, including, but not limited to, periodic replacement of filters, water sampling, and replacement of POU treatment devices.
7. Subject to the provisions of AAC R14-2-407 and 410, and in accordance with the

terms of the tariff, the Company may terminate service or may deny service or deny service to a customer who fails to comply with the terms and conditions of this tariff.

8. The Company will test the POU treatment devices in conformance with the requirements of AAC R18-4-218 and the POU Guidance.
9. Consistent with the provisions of A.C.C. R14-2-407.B.2 and 3, each customer must safeguard the POU treatment devices installed on the customer's premises. Each customer must exercise all reasonable care to prevent loss or damage to the POU treatment devices, excluding ordinary wear and tear. The customer will be responsible for loss of or damage to POU treatment devices on the customer's premises arising from neglect, carelessness, or misuse and shall reimburse the Company for the cost of necessary repairs or replacements. Customers may not replace the Company's POU treatment device with a device of their own.
10. Pursuant to A.C.C. R14-2-407.B.5, each customer shall be responsible for notifying the Company within 72 hours of any failure or damage the customer identifies in any Company POU treatment device.
11. Special installation of any fixtures for direct consumption (such as routing treated water to ice makers or additional faucets) must be performed by the Company.
12. Prior to installation of the POU treatment devices, the Customer must provide to the Company its preferred method(s) of contact: by telephone, by United States mail or by email. Customer must notify the Company of any changes to contact information within 30 days of the change.
13. The Company shall mail the Tariff to all impacted systems with all accompanied rules and regulations, post the Tariff on the Company website and also have copies available at the Company offices.
