

Source Control Violation Fee Tariff

Applicable to:

- Global Water – Palo Verde Utilities Company (“Utility”)

Purpose:

The purpose of this tariff is to protect Utility’s collection systems from blockages and damages, to protect Utility’s treatment systems from process upsets, to protect the quality of recycled water, to protect the quality of biosolids (sludge), to protect human health and the environment from damage, and to enable Utility to comply with applicable regulatory requirements of the Arizona Corporation Commission (Commission) and the Arizona Department of Environmental Quality.

The Utility has a Source Control Tariff filed with the Commission on 2 September 2010 as authorized by Decision No. 71878. That decision also authorized a \$250 fee for commercial customers found to be in violation of the Source Control Tariff.

Fee:

Any customer found by Utility to be violating Utility’s Source Control Tariff on file with the Commission, shall immediately cease the violation and is subject to a fee of \$250 per occurrence. This fee is due and payable immediately to the Utility upon the Utility issuing notice of the violation to the Customer. Notice may be delivered to the customer in person, left at the service address, mailed to the service address, or mailed to the billing address for the service location.

Under A.A.C. R 14-2-609 (B) and (C), Utility retains the right to terminate service to safeguard health, or if the customer violates the contract established between the Utility and the commercial customer, which includes violation of Utility’s Source Control Tariff. In cases where both this tariff and A.A.C. R 14-2-609 (B) and (C) apply, the remedies provided by this tariff and A.A.C. R 14-2-609 (B) and (C) are cumulative.

Effective Date: 15 November 2010
Decision No: 71878
Docket No: W-20445A-09-0077 et al.
ACC Approval: _____
